BUDGET MESSAGE 2010

Greater Wildwoods Tourism Improvement & Development Authority

AUTHORITY BUDGET

FISCAL YEAR: FROM January 1, 2010 TO December 31, 2010

1. Complete a brief statement on the 2010 proposed Annual Budget and make comparison to the current year's adopted budget. Explain significant increases or decreases, if any.

The 2010 Budget keeps anticipated revenues at the same levels as the 2009 budget. Our revenue sources are now all established, they are driven primarily by a 1.85% room tax and a 2% tourism tax that is also based on room nights and prepared food. These revenue items have leveled off during the last three years, and we have based our budget on average collections of those taxes over the last 3 years. .

2. Complete a brief statement on the impact the proposed Annual Budget will have on Anticipated Revenues, especially service charges and on the general purpose/component unit financial statements. Explain significant increases or decreases, if any.

The proposed annual budget is structured within the operating constraints currently placed on the Authority by the legislation authorizing the collection and distribution of a 2% tourism tax and the 1.85% room tax. The New Jersey Sports and Exposition Authority and the Authority in the ratio of 90% to 10% share the 2% tourism tax respectively. The 1.85% room tax is shared between the Authority and the Three Wildwood Municipalities that make up the tourism district. The City of Wildwood receives a payment of \$183,000 for leased property, with the remainder of the proceeds split 50% to the Authority and 50% divided equally among the three municipalities. The increases in appropriations relate to increased costs associated with distributing and mailing our fulfillment packages for the Wildwoods as well as increasing our advertising budget by \$50,000.

3. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital Budget/Program.

The receipts from the 2% tourism tax and the 1.85% room tax are the mainstay of the Authority's revenue stream. The tourism tax has suffered a 10% drop off in 2009. The 1.85% tax has been in effect for five years now and we have based our budget numbers on those collections. The 1.85% tax was also off 10% in 2009. Both revenue sources are very volatile and fluctuations in future years could have an impact on the Annual Budget.

4. Describe the reasons for utilizing Unrestricted Net Assets in the proposed Annual Budget, i.e. rate stabilization, debt service reduction, to balance the budget, etc.

We are tapping our unrestricted net assets as at this time as we do not wish to reduce the dollars spent to advertise the Wildwoods as a family destination. In 2009 we added \$50,000 to our advertising budget and will do the same in 2010. In a weak economy we feel it is important to keep our media presence high and in 2009 it paid off as the Wildwoods averaged 10% off in bookings. We feel considering the state of the economy this was a good result. We expect 2010 to be equally challenging and will maintain our advertising budget. When the economy turns around our revenue generated by the taxes should go up and we will no longer need to tap our unrestricted net assets. Since our revenues are generated by tourists it is in our best interest to do what we can in these tough times to try to entice visitors to the Wildwoods.

5. If the proposed Annual Budget contains an Accumulated Deficit either existing or anticipated, pursuant to N.J.S.A 40A:5A-12, then an explanation as to reasons for occurrence must be disclosed.
