

Addendum to Bid 2-24

Wildwood Truss

Addendum #1

Please add this sheet to your bid proposal and list this as addendum #1 on the sheet entitled "Acknowledgement of Receipt of Addenda." Date March 1st, 2024.

In addition to rebuilding the Truss structure, 9 posts utilized to attach the "Wildwoods" letters must also be replaced. The post design and requirements can be found on Sosh drawings page G202. The existing posts are available for inspection at The Wildwoods Convention Center, Monday-Friday from 8:00 a.m. until 1:00 p.m. Arrangements must be made three (3) days in advance of desired inspection. The winning bidder may utilize the existing posts to assist in the fabrication of new posts.

The Truss must be primed with an exterior steel primer. The priming of the raw steel price is included in the bid price for a steel Truss. When proposing hot dipped galvanized steel, no primer is required.

Clarification for the bid opening. The Bid opening will be held on Tuesday, March 12th at 2:30 p.m. at The Wildwoods Convention Center Board Room.
