2025 AUTHORITY BUDGET MESSAGE & ANALYSIS

Greater Wildwoods Tourism Improvement and Development Authority

FISCAL YEAR: January 01, 2025 to December 31, 2025

Answer all questions below using the space provided. Do not attach answers as a separate document.

1. Complete a brief statement on the Fiscal Year 2025 proposed Annual Budget and make comparison to the Fiscal Year 2024 adopted budget for each Revenues and Appropriations. Explain any variances over +/-10% (as shown on budget pages F-2 and F-4) for each individual revenue and appropriation line item. Explanations of variances should include a description of the reason for the increase or decrease in the budgeted line item, not just an indication of the amount and percent of change. Upload any supporting documentation that will help explain the reason for the increase or decrease in the budgeted line item.

Our 2025 budget mirrors our 2024 budget with very few significant changes:
The 2% Tourism Tax has increased by 10.3% as we have seen tax collections continue to increase in recent years and we believe this trend will continue for 2025. The 1.85% Tax is increased by 10.7% as we expect the increased tax revenue trend to continue in 2025. The Interest Earned has increased by 15.4% in anticipation of earning a higher return as our cash flow has increased causing our interest earned to grow.

2. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital Program.

The Tourism Authority's overall revenues are sustained through the tourism economy of the wildwoods. Over recent years, we have seen a steady increase in all tax collections. We believe that 2025 will be a strong year for tourism.

3. Describe the reasons for utilizing Unrestricted Net Position in the proposed Annual Budget (i.e. rate stabilization, debt service reduction, to balance the budget, etc.) If the Authority's budget anticipated a use of Unrestricted Net Position, this question must be answered.

In 2025, we are estimating our tax revenues conservatively. If 2025 does not follow 2023 and 2024 which were our best years, we will have the Unrestricted Net Position moneys to use.

Answer all questions below using the space provided. Do not attach answers as a separate document.

4. Identify any sources of funds transferred to the County/Municipality as a budget subsidy or shared service payments, **pilot** payments, or other types of contracts or agreements. (Example - To provide police services to the Authority, etc. and explain the reason for the transfer (i.e. to balance the County/Municipal Budget, etc.)

NOT APPLICABLE

5. The proposed budget must not reflect an anticipated deficit from 2024 operations. If there exists an accumulated deficit from prior year's budgets (and funding is included in the proposed budget as a result of a prior year deficit) explain the funding plan to eliminate said deficit (N.J.S.A. 40A:5A-12). If the Authority has a net deficit reported in its most recent audit, it must provide a deficit reduction plan in response to this question.

NOT APPLICABLE

(Prepare a response to deficits in most recent audit report pertaining to Deficits to Unrestricted Net Position caused by recording Pension and Post-Employment Benefits liabilities as required by GASB 68 and GASB 75) and similar types of deficits in the audit report. How would these deficits be funded?

Answer the question below using the space provided.

6. Attach in FAST a schedule of the Authority's existing rate structure (connection fees, parking fees, service charges, etc.) **if it has been changed since the prior year budget submission** and a schedule of the proposed rate structure for the upcoming fiscal year. Explain any proposed changes in the rate structure and attach the resolution approving the change in rate structure, **if applicable**. (If no changes to fees or rates, indicate answer as "**Rates Are Staying The Same**".

Our rate structure does not change from year to year. Our rate structure is set as a result of the tourism tax and the hospitality tax that are in place along with the tourism development fees that the three municipalities collect on our behalf. Please see pages F-2 and F-3 that shows the detail of our existing rate structure.
